Quan Chiropractic's wellness and prevention series brings quality professionals helping you take your health to the next level.

Did you know your thoughts can be so acidic that they can weaken your immune system?

Come and learn how stress damages your health; transformative tips to lessen stress; a meditation that will deepen your experience using the 4-step Living with Forgiveness process that will help you eliminate key stressors in your life that lead to dis-ease.

Forgiveness has been the cornerstone of Lori's work for the last 30 years, as she has discovered miraculous healing and peace not only for herself, but for her clients.

If you pay prior to Sept. 5th, you will receive a \$10 discount!

Lori brings the practical, as well as the spiritual aspects of forgiveness, self-acceptance and compassion to all her clients, while beautifully holding sacred space for them to find peace in their own lives.
